## **KNOWING GOD**

**TEACHER: KEN SPARKS**

**LOCATION: CHRISTIAN ED #152A**

So you think you know God. Most of us are relatively confident of that statement in our lives. Yet most of us view that statement in light of our salvation. I'm not talking about that – I'm talking about really knowing God subsequent to salvation!. If you've thought to yourself at some point in your Christian walk that you would desire to develop a deeper relationship with God, here is your opportunity. We are continuing a study of J.I. Packer's book, Knowing God. Maybe you have read through this book sometime in the past but never really delved into each chapter in depth. We are doing just that. Join us for what is a rewarding experience. We have books and study guides available. Maybe you already have your book but would like a study guide only. We can accommodate you there as well. I look forward to seeing you in class.

## **1 PETER**

**TEACHER: TONY WOOLFORD**

**LOCATION: CHRISTIAN ED #150**

First Peter was written to Christians scattered throughout the world. Their situation was one of suffering and trials that often come to Christians as they live faithfully in a pagan and hostile society. Persecution comes in the forms of slander, riots, local police action and social ostracism. Believers are encouraged to rejoice and live above such reproach and stand firm on the true grace of God. Join us!

## **BIBLE SURVEY: AN OVERVIEW OF SCRIPTURE**

**TEACHER: MIKE LUNDIN**

**LOCATION: CHRISTIAN ED #152B**

In this class we will look at the whole of Scripture from a bird's eye view. We will start at the beginning and find the common "thread" that weaves throughout the Bible. Along the way we will uncover biblical genealogies, archeology and other historical facts, develop a time line of His-story and discover insights for living through lecture, discussion and other class activities. All are welcome.

## **COLLEGE/CAREER**

**TEACHER: PASTOR RUSS JEANDELL**

**LOCATION: CHRISTIAN ED #207**

DISCOVER BIBLE TRUTH for yourself. We are learning the joy of discovering Bible truth as we read and study selected passages of scripture together. Join us as we learn a four-step Bible study method that will help you the rest of your life.

## **EVERLASTING TRUTHS FOR EVERYDAY LIVING: THE SERMON ON THE MOUNT**

**TEACHER: DAN COX**

**LOCATION: BASEMENT (LOWER LEVEL)**

The Sermon on the Mount gave Jesus' listeners an opportunity to understand the nature of true righteousness. It revealed that righteousness is a matter of the heart, not a legalistic enslavement to religious rules and regulations. The scribes and Pharisees insisted that the people follow a religious code; Jesus taught them to live by faith in a righteous God. The scribes and Pharisees thought appropriate religious conduct earned God's favor; Jesus taught that a pure, transformed heart pleases God.

This study will sharpen your focus on true righteousness, increase your faith in our righteous Lord, and challenge you to obey Him more faithfully.
