

COLLEGE & CAREER CLASS I & II PETER

**TEACHER: CHANNING GREENE
LOCATION: NEW BUILDING #207**

The Christians Peter addressed were predominantly of Gentile background. Their situation was one of suffering and trial that often comes to Christians as they live in a society that is hostile to the gospel of Christ. Persecution took the form of slander, riots, local police action, and social ostracism. The readers are encouraged to rejoice and live above such reproach. If you are in college, graduated from college recently and/or know someone who has, come and invite a friend.

Observe for yourself, and experience the real joy of discovery in Bible study.

REVELATION TEACHER: DANIEL COX LOCATION: GYM

Revelation provides a vivid picture of the "End Times". It is truly an amazing book dictated by God Himself and is the only book that promises blessing to those who read it. The study of Revelation draws heavily upon many other books of the Bible, both the Old and New Testaments. In presenting this study, we will use PowerPoint, handouts and lively discussion.

KNOWING GOD TEACHER: KEN SPARKS LOCATION: NEW BUILDING # 152A

So you think you know God. Most of us are relatively confident of that statement in our lives. Yet most of us view that statement in light of our salvation. I'm not talking about that – I'm talking about really knowing God subsequent to salvation!. If you've thought to yourself at some point in your Christian walk that you would desire to develop a deeper relationship with God, here is your opportunity. We are continuing a study of J.I. Packer's book, Knowing God. Maybe you have read through this book sometime in the past but never really delved into each chapter in depth. We are doing just that. Join us for what is a rewarding experience. We have books and study guides available. Maybe you already have your book but would like a study guide only. We can accommodate you there as well. I look forward to seeing you in class.

THE STRANGER ON THE ROAD TO EMMAUS

TEACHER: BOB DRAPER

LOCATION: NEW BUILDING # 150

With the help of interactive video, Bob will bind together the entire Bible into one great universal drama. This course tries to imagine what our Lord said to the two disciples on the road to Emmaus (Luke 24: 44-46).

This will be helpful to new believers and those who have been Christians for a while. The Bible is the record of God's plan of salvation as it is gradually unfolded. Beginning with creation and the fall, this course follows the greatest theme of all, salvation from sin and its consequences by means of atoning sacrifice.

This course is engaging, insightful, at times humorous and finishes with a clear gospel presentation. If you have a friend who needs to hear the gospel, bring him/her with you to this Adult Bible Fellowship.

REVELATION TO JOHN

TEACHER: PASTOR RUSS JEANDELL

LOCATION: BASEMENT #001B

The book of Revelation is the revelation of Jesus Christ and He is the center of the entire book. In His risen glory He directs His church on earth. He is the slain and risen lamb to whom all worship is directed. The judgments of the seven year period of the coming tribulation on earth are the display of the wrath of the Lamb. The return of Christ to this earth is also described as is the millennial reign of Christ and the new heavens and the new earth.

Do you like to be involved in class discussion? Listen to short lectures? Do "bite sized" homework assignments? Fellowship with others on an informal basis? Then join us and discover The Revelation with us.
